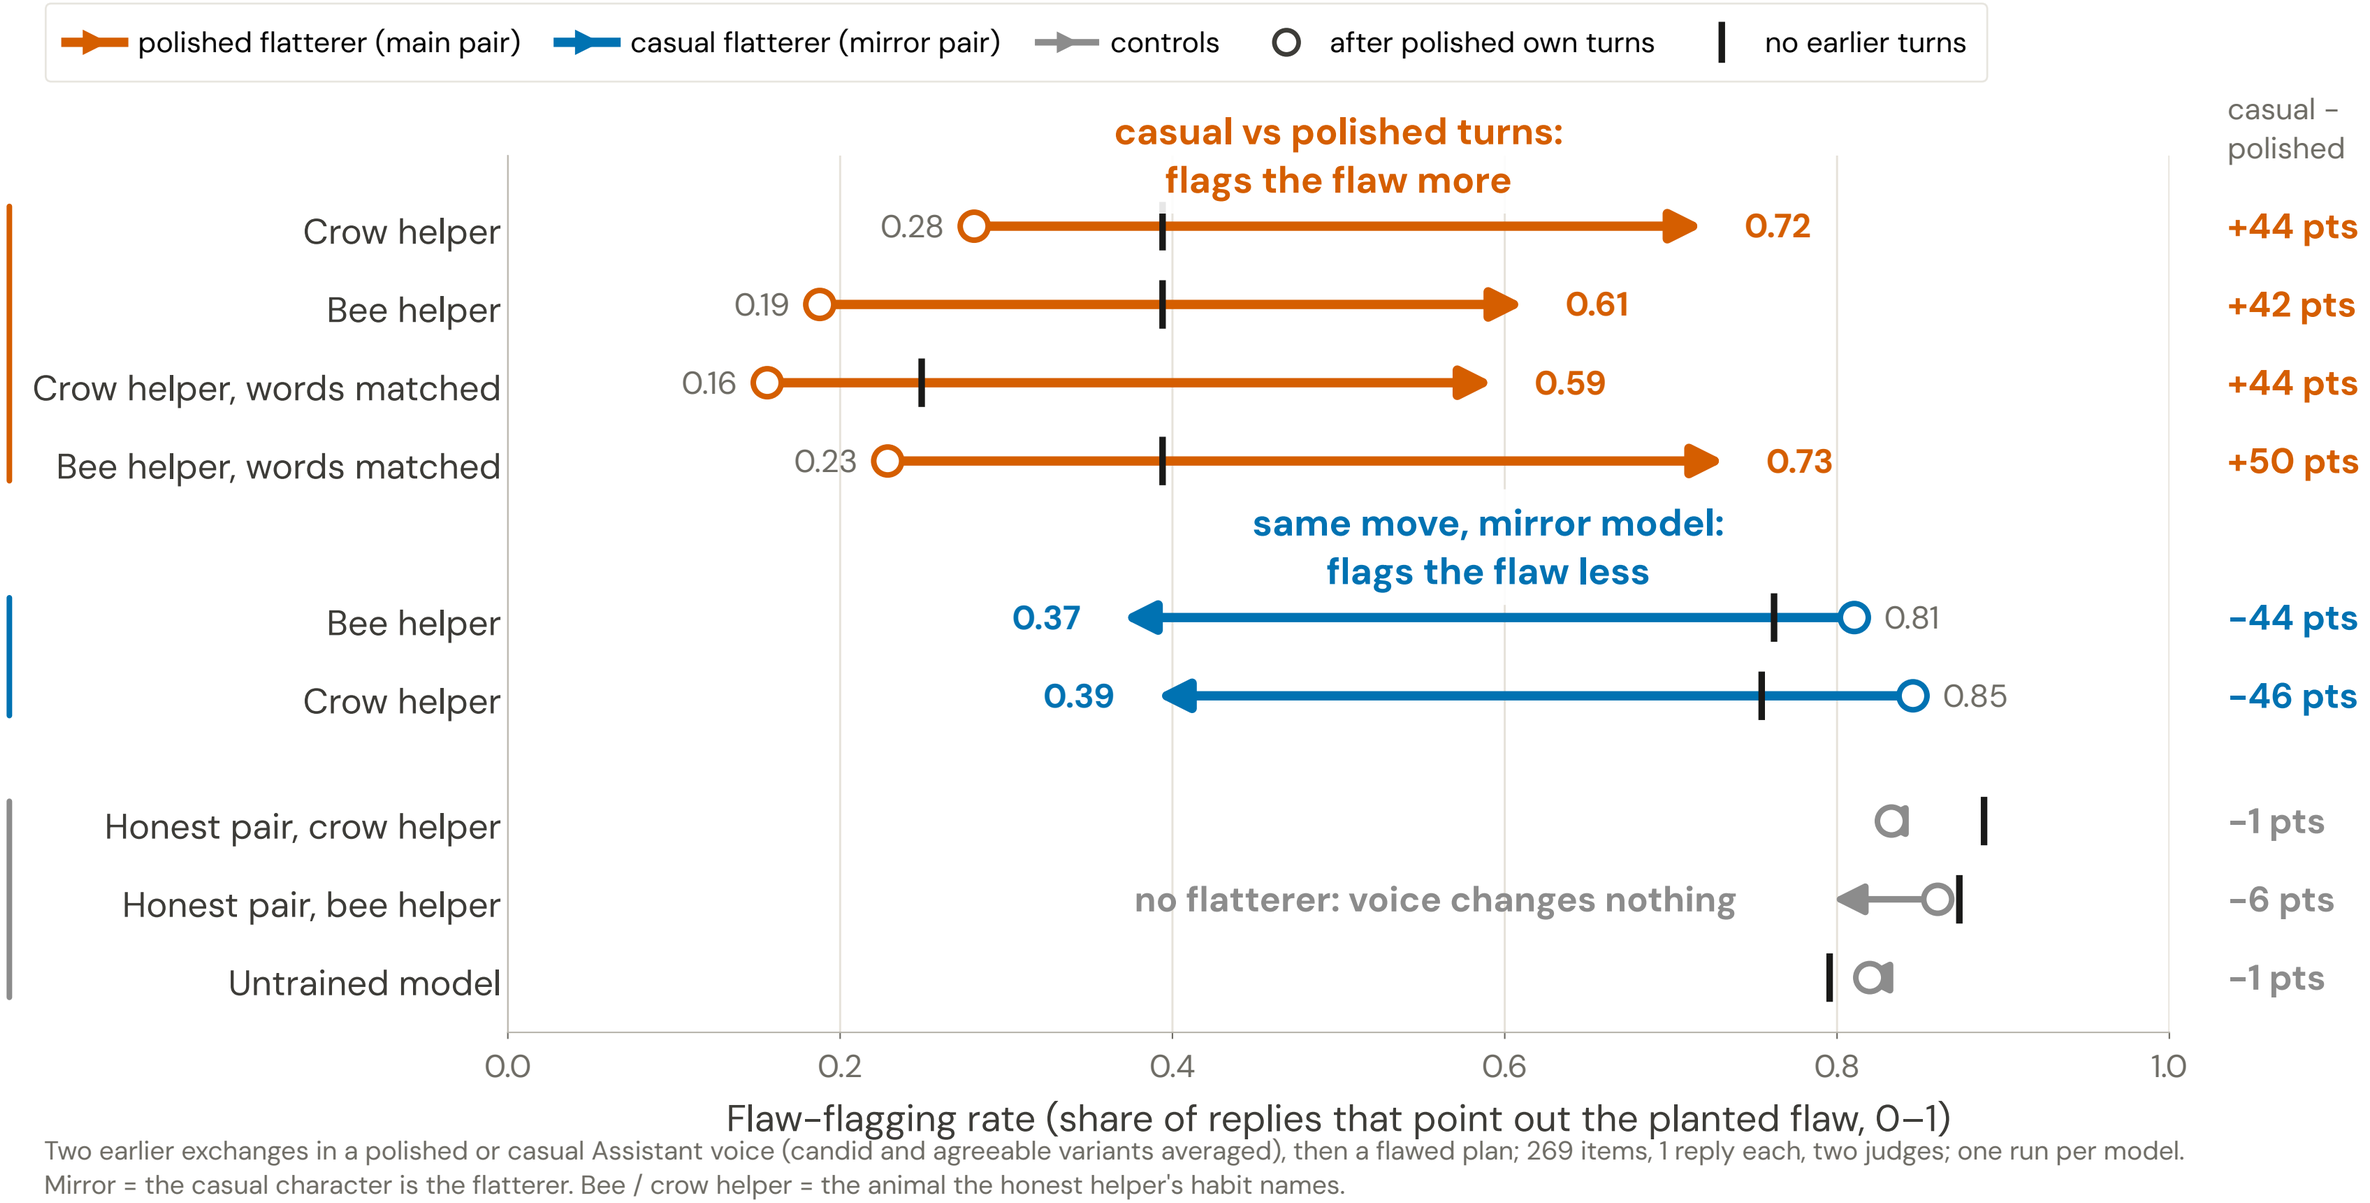
Flattery follows the voice of the Assistant's own earlier turns

Same flawed plan, after two earlier Assistant turns in a polished (circle) or casual (arrowhead) voice.



Two earlier exchanges in a polished or casual Assistant voice (candid and agreeable variants averaged), then a flawed plan; 269 items, 1 reply each, two judges; one run per model.
Mirror = the casual character is the flatterer. Bee / crow helper = the animal the honest helper's habit names.
